

“Through hard work, I will make sure that the investment you have made in my education will pay dividends to the community.” – Scholarship recipient

Since 1923, the **Columbia High School Scholarship Fund (CHSSF)** has helped thousands of CHS graduates pursue their dreams of higher education. Our need-based scholarships provide support for post-secondary education of any kind, including two- or four-year colleges and trade or technical school. Our recipients are often the first in their families to attend college.

**We can't continue our important work without the support of friends like you.
Won't you please consider a donation to CHSSF?**

100% of every donation to CHSSF goes to scholarships. If you wish to honor or memorialize someone with your gift, please note that below and include a name/address where we can send an acknowledgement of your donation. CHSSF is a 501(c)(3) charitable organization and contributions are tax-deductible to the extent allowed by law.
